

Enable Early Intervention Career Opportunities:

Enable Early Intervention thanks you for your interest in our program!

Open positions will be posted below:

Early Intervention Specialist (Developmental Specialist, OT, PT, SLP, LICSW):

Enable Early Intervention is looking for dynamic, energetic professionals to join our dedicated team. Enable Early Intervention provides comprehensive, developmental services for infants, toddlers and families. Services are family-centered and revolve around each child and family's individual strengths, needs and priorities.

Early Intervention staff and families collaborate together as a team to create an Individualized Family Service Plan (IFSP). The IFSP reflects ongoing changes in the child's development and family's priorities.

As a direct service provider at Enable Early Intervention, you will be a part of a strong, dedicated team and collaborate with parents and other staff to enhance development and learning during home visits, developmental assessments, child groups, parent groups and service coordination activities.

Services take place in homes and in community locations in eleven towns: **Canton, Dedham, Norwood, Walpole, Sharon, Plainville, Norfolk, Wrentham, Millis, Medfield and Westwood**. The eleven towns are organized into smaller service areas to support knowledge of and collaboration with other community resources.

Qualifications:

Developmental Specialist: Minimum of Bachelor Degree in Early Childhood, Special Education, or a related child studies field with completion of four 3-credit courses focusing on infants, toddlers, and/or families and at least 6 months of experience working with children under the age of 5. Master Degree preferred.

OT, PT, SLP, LICSW: Current licensure by the MA Board of Registration of Allied Health Professions

Valid driver's license

Experienced providers, new graduates, and CF/SLP candidates are encouraged to apply. Competitive salary with full benefits.
